

MUSTANG CLUB OF GREATER KANSAS CITY

Official Publication of the Mustang Club of Greater Kansas City, Inc.

Volume 33, Issue 9 September 2017

The Grand National has come and gone. It's hard to believe after the years, months and days of planning, it happened so quickly and not without an amazing effort by each one of our club members. As with most team efforts, some spent more time and worked harder than others, only because they wanted to, but the Grand National would not have been as good as it was without the individual effort and contribution of more than 150 club members. Thank you to each and every one of you for the time, energy, and doing what you did when it needed to be done.

I think the best way to say thank you is to share with you an email RJ and I received from Erica Logan, Manager, Philanthropic Community Engagement and Events, at Children's Mercy Hospital Kansas City on Wednesday after the Grand National.

Hi Ed and RJ,

I hope that you both have been able to get some much-deserved R&R after an absolutely incredible weekend! It's hard to put in to words how meaningful the event was for Children's Mercy and for me personally. Over the last few days I have told the story so many times how you both initiated the relationship with Ayden and hosted his car front and center at the show. Each time I have to hold back tears and more often than not whomever I am sharing it with also gets misty eyed. Your event was truly one of the most special I have had the privilege of being part of over the last year with Children's Mercy. I can't thank you enough for including our patients and families in the show and for welcoming me, Dr. Barnes, Beth and Ayden and his family with open arms to celebrate together. We were all truly blown away by the success of the event and the generosity from your team and the Carroll Shelby Foundation and MCA. The video was also amazing – can you please send me a link to it? I can't wait to share it!

Sunday morning will remain one of my favorite days for a VERY long time!

Thank you from the bottom of my heart for caring so much and for working so hard to give back to Children's Mercy.

I look forward to hearing from you all over the coming weeks and hope we have another opportunity to see each other and work together again very soon!

Erica

Please keep in mind that Erica works in the Department of Philanthropy that works with numerous fundraising events throughout the year. My hope is that each one of you feels good about your individual contribution and Erica's words mean more to you than individual praise from our show director, our Board of Directors, or me.

PS: Yes, I have sent Erica the link to the video!

Social Report—By Don and Linda Lankard

- July 30th- The Great Car Show at WW1 Memorial
We had 24 members attend The Great Car Show. The car show took place on the mall at the World War I Memorial. The venue was great and the weather was beautiful. Everyone enjoyed the day.
- September 9th I am very disappointed to inform everyone that we were unable to finalize the photo shoot in time for the September 9th, Saturday cruise night. Because of the overwhelming response by members to participate in the photo shoot, we will continue to pursue this event in an effort to finalize a date and time. Please keep an eye on your emails and we will update everyone as more information is learned. Thanks for your understanding.
- September 17th Pot Luck Dinner / General Meeting
Our potluck dinner begins at 4 PM followed by our General Meeting at 5 PM
The Club will provide the meat dish (BBQ), beverages, plates and utensils.
Members are requested to bring the following:
Members with last names beginning with A – K are requested to bring desserts.
Members with last names beginning with L – Z are requested to bring side dishes.
- September 23rd Road Trip: Tour of the Eisenhower Museum, Seelye House Museum and dinner at the Brookville Hotel. Cost is \$9.00/7.50/23.95 each respectively.
Our plan is to meet at Cabela's at the Legends and depart for Abilene as a group no later than 7 AM.
We should arrive in Abilene in time for a 10 AM tour start.
Members may choose the Eisenhower tour, Seelye House Museum tour, or both followed by an optional dinner at the Brookville Hotel.
For those wishing to stay the night rather than drive back after a full day of fun, we have a block of 10 rooms at the Holiday Inn Express for \$106.99 set up under Mustang Club of Greater Kansas City. Holiday Inn phone number is 785-263-4049.
Checks are due, payable to Mustang Club of Greater Kansas City, for the Museum tours at our September 17th Pot Luck dinner. (\$16.50 for both tours per person)
Final information will be sent out to all members who sign up.

Contact Don & Linda Lankard @ dlankard@sbcglobal.net to sign up or call 816-560-0438.

2017 Pink Cruise

Our 6th annual Pink Cruise Night will be held October 14th from 4-7 PM at our regular cruise night location, 103rd and Mastin. This cruise night is a regular cruise night with all makes and models welcome, but with a breast cancer theme. About 2,470 men will be diagnosed with breast cancer in 2017 so armed with that staggering information, our charity for 2017 will be the Bret Miller 1T Foundation in support of The Male Breast Cancer Coalition. 100% of our proceeds will go directly to the Foundation. In past years, we have raised well over \$1,000 each year but in order to accomplish and surpass that goal, we are dependent on our members for our silent auction.

Please plan to do a basket or donate an item for auction. If you want ideas, let me know! More information will be coming on our Pink Cruise but start thinking about your baskets! I can be reached via call or text at [913-217-8668](tel:913-217-8668) or by phone at work my work number – [913 384-8152](tel:913-384-8152). You can email me at nbloom@mjbtrc.com. Thank you!

Meeting Minutes— August

Location: Bristol Hill United Methodist Church, 4826 County Line Rd, Kansas City, KS

The meeting was called to order at 5:00 p.m.

Board of Director Reports

The show volunteer sign-up book was circulated during the meeting. We particularly need shuttle bus drivers on Sunday, evening security volunteers, helpers Thursday and Friday in the trailer parking area, and a couple shifts need to be filled at the Welcome Table.

President, Ed Mardiat: We're very excited about our Grand National [GN] Show next weekend! We've worked very hard, and please get into the fun mode! The Weld Wheels event is sold out, with 170 people signed up to attend. Everyone, please check the online auction site at <https://mca2017grandnational.auction-bid.org>. There are over 60 items posted. It does not require an application to be downloaded – just go to the website. It's fun and easy to use. You just register your name, cell phone number, and credit card info. It's open now, and closes at 3 p.m. next Saturday, when items will be distributed to the winning bidders.

We have three free seminars scheduled on Saturday afternoon.

- Weld Wheels is doing a session on how to size and fit custom wheels to your car.
- Motion U is doing training on using its database to advertise auto events.
- Gary Patterson, from Shelby American, will provide news about their performance cars.

Show participants will receive wrist-

bands in their packets for admission to the BBQ and the Breakfast Buffet. The Tailgate BBQ is Friday, from 6-8 p.m. Be sure to wear your favorite sports team apparel. The Breakfast Buffet is served on Sunday from 9-10 a.m. Please arrive by 9:45 for the presentation of colors, video presentation, and keynote speaker. Henry Ford III will not attend, and is being replaced as keynote speaker by Mark Schuler from Ford. The show awards presentation starts at 11:30 a.m.

Vice President Nona Hernandez: No report.

Secretary, Jan Somerville: The Salvation Army Bell Ringing date is Sat. Nov. 18th. There was also an update to the WWFS/HFT report. The minutes were accepted as corrected.

Treasurer, George Stegner: Please reference the Treasurer Report dated 07/31/2017, which was accepted as read.

Show Director, Jim Peterson: Set-up begins at 8 a.m. on Thursday. Early classification and registration for club volunteers will be from 4-6 p.m. on Thursday. On Thursday, volunteers should park in the small lot near the traffic circle on Lamar and 110th Street – on the north or west end. Friday - Sunday volunteers will have to park in the spectator lot at Black and Veatch (across College Ave from the Overland Park Convention Center).

BBQ/Brunch admission wristbands will be in your registration packet. Show T-Shirts may be picked up near the registration tables. Volunteers entered in the show may go through classification and registration on Thursday evening. Follow the signs to classification. There will be two lines: one for indoor parking, and one for outside parking. Volunteers helping with classification should be there at 3:30 p.m. (practice for Friday and Saturday).

The last meeting of the GN Show Committee will be on Monday night at the OPCC. Larry Crist has park-

ing volunteers doing a walk-thru at 6 p.m.

Several club members have name badges to pick up. See Jim today. You may also pick up your name badges at the GN Welcome Table.

Past President, R.J. Coberly: The Sponsorship and Vendor work is done! We expect \$16,975 in sponsor cash donations, of which \$12,625 has been collected. The Overland Park Visitor Bureau room rebate is the largest portion of the balance due. The value of cash-equivalent donations and silent auction items is estimated to be about \$23K. (Cash equivalent donations are items or services we didn't have to pay for, e.g. signs and banners, show programs, video production, and silent auction items donated by sponsors/vendors). The total sponsor and vendor contribution to our GN Show is estimated at \$39,810. (This *does not* include silent auction proceeds.)

We really have some great sponsors! All the National MCA sponsors are coming to our GN Show. We have 5 semi-trailers rolling in on Thursday, and quite a few vendors. In separate drawings at the show, Bob Allen Ford and B.F. Goodrich are each giving away sets of four tires.

Social Directors, Don and Linda Lankard: Don and Linda gave their report to the membership, details will be published in the newsletter.

Members at Large

Dan Bentsch: We will ring for the Salvation Army inside, at Union Station, on Sat., Nov. 18th from 8 a.m. to 6 p.m. That is the weekend before Thanksgiving.

Rick Hernandez: We especially need shuttle van drivers from 10 a.m. to noon on Sunday (during the Brunch).

Committees

Membership, George and Joy Stegner: New members present were introduced, and thanked for joining. This brings our membership to 228 members. A membership renewal

form was included with the August newsletter. \$20 dues are due by Sep. 30th (New members, Jun-Sep, are exempt.)

Doye Ewert, MCA Regional Director (Absent): Ed Mardiat said that either he or Doye will attend the MCA Regional Director's meeting from Oct. 13-15th.

Head Judge and Club Sales, Jack Bosic: We need all our classification volunteers to help with the early classification for club volunteers on Thursday at 3:30 p.m. This will familiarize you with the job. The MCA Judge's meeting will be 10 a.m. on Saturday. Judges will receive an embroidered towel and \$10 for lunch. Club Sales: Jack is trying to liquidate our supply of club hats and t-shirts. Please buy them soon.

Cruise Night, Rick Lage: We had 15 Chevilles and 6 Cadillacs at our last cruise – a really fun night! Our cruises are on the 2nd Saturday of the month, 4-7 p.m. at 103rd and Mastin St.

Inventory Manager, Rick Lage: Rick is bringing 7 folding tables to the GN Show.

Newsletter/Webmaster, Lorne Willard: Please get your news in by the 1st of the month. Lorne also has a classified section for club members selling or looking to buy something.

Welcome Table, Sandy Bentch: There are just a couple shifts left at the Welcome Table (indoors).

Historian, Ken Jones (Absent): No report.

Non-Club Event Coordinator, Ed Mardiat: Please see <http://motionu.com>. Ed added some info to our club calendar about the 4th Annual Guys and Gears Benefit Car Show, on Sat. Oct. 7th, to benefit KU Cancer Research. The show location is at the Furniture Deals lot at 107th and Metcalf, \$20 pre-registration fee (includes show T-shirt) or \$15 on day of the show (no t-shirt).

Old Business Wounded Warrior Family Support/ High Five Tour [WWFS/HFT], Mark Raab:

RJ, George, and Ed brought back both the Shelby GT 350 and the Ford Super Duty mobility-equipped truck for events in the KC area. The Shelby will be displayed inside, and the F250 outside at the GN Show. The WWFS organization provides support to combat-wounded veterans and their families. Collaborating with the VA, WWFS has provided over 60 mobility-equipped vehicles to combat-wounded disabled veterans. This year's goal is to fund a brain trauma center. This weekend alone, WWFS/HFT gained \$1K from Laird Knoller Ford in Topeka, and \$1,710 from the five-member Topeka Mustang Club. The Air National Guard 190th Air Refueling Wing requested the car at their Golf Tournament on Friday, and this informal visit gained another \$160 toward WWFS. Meanwhile, Ed Mardiat visited the UAW plant in Claycomo, MO, where he was given a whopping \$10K donation to WWFS. The vehicles also visited the U.S. Marine Corps League convention. We thank Blue Springs Ford for their \$1,100 donation yesterday. "Bruno," the F 250 mobility-equipped truck, is valued at over \$90K. There is a crane concealed in the pickup bed, which can be deployed to position a power chair and place the driver either in the cab or on the ground. This gives them a great deal of independence and an opportunity to be mobile and productive. Colonel John Folsom will be issuing a challenge to all MCA Clubs at the Awards Banquet. Clubs that earn at least \$5K toward WWFS will be eligible for a drawing for Ms. Divine K – which will be auctioned at Barrett-Jackson in Scottsdale, AZ next year. The proceeds from the auction would then be sent to the winning MCA club's charity of choice – a win-win situation!

Nominating Committee, Lorne Willard: We have a list of members eligible for office. You must have attended at least 6 meetings during the previous 12 months, and have been a member for at least a

year. We need people willing to serve - all positions are open. We are hoping to split up some of the terms, so that we don't have to change the entire Board of Directors at once. The President, Treasurer, and one Member-at-Large will be encouraged to serve for two years, and we'd like to get people to serve one term as Vice-President, Secretary, Social Director, and Member-at-Large. In the future, we hope to change only half of the officers annually. Our by-laws allow officers to serve two consecutive years in the same position. Lorne will contact all eligible members soon, encouraging them to serve. Please let Lorne know if you have an interest in a particular office, or if you'd like to nominate/recommend someone as an officer.

NEW BUSINESS

Pink Cruise, Nancy Bloom (Absent): Nancy has volunteered to chair the Pink Cruise this year. If you are interested in serving on her committee, please contact her.

FOR THE GOOD OF THE ORDER

Scott Shaffer thanked the members for being such a loving club family. Scott's mom passed away recently, and many club members showed up for the visitation, and donated to the diabetes charity. Scott thanks everyone, sincerely, for standing by him in this difficult time.

The 50/50 raffle won by Paul Wojtowicz.

There being no further business, the meeting adjourned at 6:13 p.m. The club will meet next on Sun, Sep. 17th, at 5:00 p.m.

Janice L. Somerville, Secretary

It Was A Grand, Grand National

Congratulations to the fabulous leadership and show committee for the OUTSTANDING Grand National Mustang Show. The numerous volunteers who stepped forward to make the show a special event were OUTSTANDING. A special thanks to Ed Mardiat for his STRONG leadership and Jim Peterson for his OUTSTANDING awards presentation. How did he pronounce all those names? We would like to thank each of you personally but time and space are limited.

What a fabulous club to be a part of for so many years! We especially appreciate the charitable commitment the club has made to the community and beyond.

Letter From the Editor—By Lorne Willard

When Jill and I joined the Vintage Mustang Club of Kansas City shortly after attending the clubs 1996 show, it took us a little while to realize that that event wasn't a "typical" show because it was the 3rd time the club had hosted an MCA National show (previous shows were in 1990 and 1994). Like many of our members, we weren't quite yet versed in what MCA was all about, but regardless we jumped right into the show planning process gathering goody bag and door prize items and trophy sponsorships for a couple of regional shows before getting more firsthand knowledge when we hosted another MCA National show in 1999. After that, I was well versed and became show director for our 2000 regional and the clubs first MCA Grand National in 2001. As the Vintage Mustang Club, we struggled with membership as many prospective members incorrectly thought membership hinged on ownership of the early cars, so after our 2005 MCA National show and the introduction of the new body style, the thought of hosting another MCA National was put off for a few years. In 2007, at the time of the printing of our roster, we had 89 member families and in early 2008 the Board of Directors proposed that the club change to the Mustang Club of Greater Kansas City which took effect in April of 2008.

So I wasn't surprised to hear one of our "newer" members recently state that this was the club's first MCA Grand National since it had been 16 years since we hosted our 2001: A Mustang Odyssey and 12 years since we hosted our last MCA National in 2005! At almost every MCA National show we've attended since 2005, we've been asked many times about when the "Kansas City group is going to host another National show". With the tremendous growth of our club after the name change and the success of our regional shows (sometimes attracting more cars than some National shows), it was time that we stepped up and returned to the ranks of great clubs who can host a successful MCA Grand National show and suffice to say, WE KNOCKED IT OUT OF THE PARK! This was absolutely one of the smoothest run MCA Shows I've been to and I've been to a few!

With every show I've ever been involved with, there are so many great contributions and efforts and as I wrote in the September 2001 Newsletter, and I'm sure Jim Peterson's would have the same thoughts:

I can't give enough thanks for everyone's help during this show. If I even tried to thank everyone individually, I'd miss someone, because everybody made contributions to the success of the show. Either last weekend or over the last 18+ months that we have been planning, people have stepped up and made what commitment they could. I saw several efforts that were made this weekend that should earn a pat on the back from every member. If you saw them too, make sure you give that person thanks, and pat yourself on the back as well!

While I realize that not everyone gets confirmation of their efforts in the same way, everyone should take pride in the fact that we raised over \$45,000 for Children's Mercy with another \$20,000 in donations from Shelby and MCA! Knowing we may have raised enough money to save another youngster like Ayden is more than enough of a pat on the back. Yes, it takes A LOT of work to put on an MCA National Show, and now that this one is over, we should bask in the afterglow of a job well done. As you know, there were many, many comments that weekend and afterward that complimented how well the show went. And think again about that amazing feeling of giving Children's Mercy Hospital \$45,000 and the good it will do for children they serve! Keep that in mind when we discuss our next MCA National Show, and lets not wait another 12 years before this amazing club does it again!

Election Committee—By Lorne Willard

Elections for new officers will take place at the October meeting and all offices are open for election (President, VP, Secretary, Treasurer, Show Director, Social Director and 2 Members at Large. Because of the show, Labor Day weekend and my procrastination, I haven't done my job in getting a slate in the September newsletter. However, I will get everyone called before the September meeting.

We need volunteers to help run our club, so please consider stepping forward. If you are new to the club and want to serve, please contact me to discuss. Generally, in order to serve, you must have been a member for 1 year and attended 6 meetings the previous year. There are exceptions that can be made.

As usual, we will open up nominations from the floor at the September meeting to fill the remaining vacancies.
